

Scholarship Awards

Undergraduate Scholarships for First-Year Students Enrolled in a Saskatchewan-Based Post Secondary Program

Eligibility

- Student or student's parent(s) must be registered Saskatchewan pulse growers (i.e. they have sold Saskatchewan-grown pulses in the last two years)
- Student must not be an immediate family member of current SPG staff or Directors
- Student must have a minimum average of 70% on five subject high school average
- Student must be accepted as a full-time student this fall in a Saskatchewan-based, post-secondary program that is associated with the pulse industry or agriculture (example: agriculture, natural sciences, engineering, nutrition)

Selection Criteria

- Student must have an interest in pursuing a career related to agriculture and the pulse industry
- Student must have a history of demonstrated leadership
- Student must have made contributions to school and community life

Application Requirements

- Unofficial transcript at the time of application followed by official transcripts upon receipt
- Proof of acceptance (conditional or otherwise) to a post-secondary program, followed by proof of registration
- Written essay (maximum 500 words) on:
 - How student has contributed to their school and/or community life
 - How student has demonstrated leadership
 - Student's career plans and how these tie in with the pulse industry

If candidate is successful

- One photo (headshot)
- Written permission to use photo and name in promotional materials
- Social Insurance Number will be requested

Additional information

- A total of five scholarships are available (one award per person) for \$5,000 each
- Scholarship is a one-time entry award for first-year students only
